

```
include/multiscale  
/exception/RectangularCsvTo  
InputFilesConverterException.hpp
```

The diagram illustrates the include paths for the file `RectangularCsvToInputFilesConverterException.hpp`. A central gray box contains the file's path. Two blue arrows point from this box to two separate white boxes below it, labeled `stdexcept` and `string`, indicating that these standard library headers are included by the file.

`stdexcept`

`string`
