

multiscale::analysis
::ClusterDetector::getEps

```
graph LR; A[multiscale::analysis  
::ClusterDetector::getEps] --> B[multiscale::analysis  
::ClusterDetector::convertEps  
Value];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains the text 'multiscale::analysis' followed by '::ClusterDetector::getEps' on the next line. The right box has a white background and contains the text 'multiscale::analysis' followed by '::ClusterDetector::convertEps' on the next line, and 'Value' on the third line.
