

include/multiscale  
/util/Numeric.hpp

```
graph TD; A["include/multiscale<br>/util/Numeric.hpp"] --> B["algorithm"]; A --> C["cmath"]; A --> D["limits"];
```

The diagram illustrates a C++ header file, `include/multiscale/util/Numeric.hpp`, which includes three other header files: `algorithm`, `cmath`, and `limits`. The header file is represented by a gray box at the top, and the included files are represented by white boxes at the bottom. Three blue arrows point from the header file box to each of the included file boxes, indicating the inclusion relationship.
