

multiscale::analysis
::RegionDetector::regionHolesArea

```
graph LR; A[multiscale::analysis  
::RegionDetector::regionHolesArea] --> B[multiscale::analysis  
::RegionDetector::findContours  
InImage];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains the text 'multiscale::analysis' followed by '::RegionDetector::regionHolesArea' on the next line. The right box has a white background and contains the text 'multiscale::analysis' followed by '::RegionDetector::findContours' and 'InImage' on the next two lines.
