

```
multiscale::analysis  
::DBSCAN::constructDistance  
Matrix
```

```
graph LR; A["multiscale::analysis  
::DBSCAN::constructDistance  
Matrix"] --> B["multiscale::analysis  
::DBSCAN::allocateDistanceMatrix"]
```

A diagram showing a call to the `constructDistanceMatrix` function in the `multiscale::analysis::DBSCAN` namespace. A blue arrow points from this call to the `allocateDistanceMatrix` function in the same namespace.

```
multiscale::analysis  
::DBSCAN::allocateDistanceMatrix
```
